Miriam Prys-Hansen (Discussant)

About the GIGA

The GIGA German Institute of Global and Area Studies conducts social-science research with real-world relevance on Africa, Asia, Latin America, and the Middle East, and on global developments. The GIGA is committed to a global approach to scholarship, which works with perspectives, concepts, and experiences from different world regions.

The institute is dedicated to providing policy advice based on high-quality research. With this mandate – its research and knowledge transfer – the GIGA aims to achieve both academic and societal impact. The institute is a member of the Leibniz Association.

Visit www.giga-hamburg.de for more information.
