About the GIGA

The GIGA German Institute of Global and Area Studies is an independent social science research institute based in Hamburg, Germany. With its research, teaching, and outreach activities, the GIGA seeks to contribute to making the world a more peaceful, equitable, and inclusive place.

The GIGA is committed to a Global Approach to Scholarship, which works with perspectives, concepts, and experiences from different world regions. The institute is dedicated to providing research-based policy advice. With this mandate, the GIGA aims to push the boundaries of research and to achieve both academic and societal impact.

Visit www.giga-hamburg.de for more information.
